Home Taste. Re-imagined.

OmniMeat is an all-purpose solution of Green Monday, as a diversified and innovative social enterprise model, to promote shifting to plant-based diet as a crucial mean to tackle global warming and food insecurity. Through a proprietary blend of plant protein from pea, non-GMO soy, shiitake mushroom & rice, OmniMeat is all-purpose, tender, juicy and 100% plant based. It is also cholesterol-free, antibiotic-free, hormone-free, cruelty-free, and is much lower in saturated fat and calories, while offering much higher fiber, calcium and iron.
